## OPENING CEREMONY

The 60th session of Buckeye Girls State opened with an excited and enthusiastic group of girls. The call to order, given by BGS Director Desiree Stoy, composed the assembly of delegates. The presentation of colors was advanced by Stephanie Drenten (O'Connor City) and Katherine Liggett (Flowers City). A calming invocation was given by Donna Ray (First Vice President of the Ohio American Legion Auxiliary). Gloria Verbeke (Past Department President of the Ohio American Legion Auxiliary) led the assembly in the pledge of allegiance, and June Stas (National Executive Committeewoman of the American Legion Auxiliary) led the singing of the National Anthem. Many objectives were given to the delegates at the opening

ceremony of Buckeye Girls State 2006, addressing the importance of getting involved, taking risks, making new friends, and gaining new experiences. Distinguished speakers included in the program were Ohio American Legion Auxiliary President, Shelley Riggs; Judge Damien Vercillo of Ashland County Juvenile-Probate Court; Robert C. Suggs, Ashland University Provost; and our own 2005 BGS Governor, Jordan Davis. In closing, the BGS Director encouraged citizens to make the most of their time here at Ashland University. "...every passing second is gone forever."

## A DIAMOND JUBILEE

As you already know, this year is a very special year for Buckeye Girls' State. The American Legion Auxiliary is proud to be celebrating BGS's 60th anniversary. To commemorate this special occasion, a huge panoramic picture was taken of the 891 delegates along with the entire Girls' State staff in the Kates Gymnasium on Sunday night after the Opening Ceremony. The public relations staff would like to thank everybody involved for their cooperation. This photograph is sure to beautifully capture the excitement of this landmark year

# FLAG RAISING RAISES MORNING SPIRITS

Old Glory began her flight today with the girls of Riley County on the quad. At 7:15 this morning, the Buckeye Girls State Highway Patrol presented the colors and raised them respectively.

If the flag ceremony of Monday was missed this morning, wake up early tomorrow morning because it is at the same time and same place. In preparation for these special morning meetings, the U.S. Flag Etiquette should be mentioned and followed. These include:

- "The flag should never be dipped to any person or thing. It is flown upside down only as a distress signal." \*
- "The flag should never be used for any advertising purpose." \*
- "The flag should never be used as part of a costume or athletic uniform, except a flag patch may be used on the uniform of government personnel." \*
- "When the flag is lowered, no part of it should touch the ground or any other object." \*
- "The Pledge of Allegiance should be rendered by standing at attention, facing the flag." ^
- When the national anthem is played or sung, citizens should stand at attention;
- Gentlemen should remove their caps when the flag is presented; and
- A hand over your heart should be used when the National Anthem is sung.

Please come and join the rest of the Girls State Delegates and staff Tuesday morning at 7:15 on the quad. Also, remember- as the flag waves in the wind, she stands for freedom. Old Glory is a symbol of so many dreams that came true- a symbol of a nation.

## EFFECTIVE CAMPAIGNING

Citizens of Buckeye Girls State running for office have the choice to campaign for whichever office they have aspirations for. Campaigning is a process used to allow the electorate to know your name, the office for which you are running and the accomplishments you wish to achieve in that office. Many girls take part in campaigning by making posters, creating pins/name tags for their supporters to wear, meeting the citizens and giving speeches that receive the attention of their fellow citizens. All citizens should be involved. Candidate supporters can lend excitement and fresh ideas to any campaign helping to get you elected. In our accelerated session you will begin verbal campaigning Monday evening.

## DELEGATES ARRIVE

The Ashland University Campus was transformed Sunday, June 11, 2006 into the mythical Buckeye Girls State with the arrival of 891 young delegates from across the great state of Ohio. The delegates were ushered through registration by the volunteer staff with the utmost ease and they were directed to their new city and county locations for the upcoming week. With mom and dad accompanying them, the young ladies made a quick shopping stop at the BGS Boutique at the Ashland University bookstore. They also took advantage of the opportunity to visit the table to order BGS city pictures and yearbooks. The city counselors and government advisors greeted the delegates upon their arrival in their respective cities. After unpacking their personal belongings and saying goodbye to their families, the delegates took part in a city orientation and social mixer to get to know one another. Learning to work as a team, the delegates took part in "Campus Exploration". The purpose of this exploration was to familiarize them with the campus and locate buildings where all the action takes place.

# BRANCHES OF GOVERNMENT

Our form of Government has three branches.

## EXECUTIVE BRANCH

Governor:	The governor is the chief executive officer of state government. The governor is responsible for proposing the state budget, appointing state department directors and signing or vetoing bills, passed by the legislative branch of BGS.
Lieutenant Governor:	The lieutenant governor is a member of the governor's cabinet and presides at its meetings in the absence of the governor.
Secretary of State:	The secretary of state is the chief election officer for the state. The secretary is also charged with safely keeping the laws and resolutions passed by the General Assembly and recording articles of incorporation for BGS businesses.
Treasurer of State:	The treasurer's primary responsibilities are to collect, invest and protect state funds. The treasurer collects most state taxes and manages the investments. The treasurer maintains an accurate accounting of all state and custodial funds.
Auditor of State:	The auditor of state is the constitutional officer responsible for auditing all public offices in the state including the cities, schools and counties as well as many governmental departments.
Attorney General:	The attorney general is the chief law enforcement officer for BGS and all its departments. The attorney general appears for the state in the trial and argument of all civil and criminal cases in the Supreme Court. Therefore you must pass the Bar Exam.

## LEGISLATIVE BRANCH

House of Representatives:	There are 45 elected members of the House of Representatives. Nine elected from each congressional district which is comprised of the five different counties at Buckeye Girls State.
Senators:	There are 5 senators from each of the congressional districts for a total of 25 Senators making up the Senate.

The House of Representatives and the Senate make up the "General Assembly." The General Assembly proposes and debates bills for adoption into laws. Most bills require a majority vote in both houses. If a bill passes both chambers it is then presented to the governor to be signed into law.

## JUDICIAL BRANCH

The Buckeye Girls State Judicial System, like Ohio's, is a four tier court system.

Supreme Court:	The Supreme Court is known as the court of last resort. It is comprised of the Chief Justice and 6 Associate Justices. Most cases the Supreme Court hears are brought from the Court of Appeals.
Court of Appeals:	There are 3 Court of Appeals Judges hearing cases drawn from the Common Pleas Court and the Municipal Court.
Common Pleas Court:	Criminal felony and civil cases over \$500.00 are heard at the Common Pleas Court. It is the only trial court created by the constitution.
Municipal Court:	The Municipal Court is in all 5 counties and is authorized to conduct preliminary felony hearings, traffic and non-traffic misdemeanors and can rule on some civil cases up to \$15,000.00.
