April 2007

Dear Buckeye Girls State Citizen,

Congratulations on being selected to attend Buckeye Girls State. You are attending based on the recommendation of the members of the American Legion Auxiliary Unit in your community. This is an honor bestowed on only a thousand students throughout Ohio each year.

During this seven-day, fast paced program, you will have the opportunity to learn about Ohio Government and the duties, privileges, rights and responsibilities of citizenship by actively participating in a democratic form of government. And only by participating can you gain the full benefits of the program. Buckeye Girls State is what you decide to make it!

Many former participants report that as a result of their Girls State experience, they are now serving in responsible positions not only in all levels of government and business, but also in judicial and educational fields as well.

So take the first step, decide which positions interest you and work towards that goal. If, by chance, you aren't elected to your first choice, seek another, as there are opportunities for everyone to hold an elected or appointed position. By the end of the week, you will be surprised by what you have accomplished. So go for it!

Knowing that both you and your parents have questions about the program, it is important you read and understand the information in this packet. **Please read and follow all the instructions carefully.** Verify your name and address on the mailing label and notify this office immediately if there are changes. Remember reading the information is necessary for you to successfully complete the On-line Orientation. Also, the BGS Website – [www.buckeyegirlsstate.org](http://www.buckeyegirlsstate.org) is a wonderful source for information about the history of Buckeye Girls State and the American Legion Auxiliary.

**Buckeye Girls State has a policy that all Delegates must stay for the entire program, which lasts seven days; from Sunday, June 17 beginning at 1:00 pm through Saturday, June 23 at 12:15 pm. If a Delegate leaves early she forfeits all rights to any honors, awards and scholarships presented or announced at the closing program. She is not permitted to say that she attended the program.**

On behalf of the entire Buckeye Girls State staff, we look forward to having you as a participant in the 2007 session.

Sincerely,

*Desiree' Stoy*

Director of Buckeye Girls State
