# About Buckeye Girls State

## *What is Buckeye Girls State?*

Buckeye Girls State is a program designed to educate Ohio's young women in the duties, privileges, rights and responsibilities of good citizenship. By getting involved in the process, you will learn more about City, County and State Government in one week than you will learn in an entire semester of high school.

The young women selected for this honor are called Delegates and are assigned to one of two political parties – Federalist or Nationalist. As an active member of your party, you will learn political party structure and have a definite function in the government system. Through hands-on experience you have the opportunity to not only learn the mechanics of local and state government; you have the opportunity to learn citizenship and patriotism; you gain self-confidence, poise and character. Attendance also makes you eligible to apply for or be selected for awards, honors and scholarships as outlined in this packet.

Buckeye Girls State has a policy that all delegates must stay for the entire program, which lasts seven days; from Sunday, June 14 beginning at 1:00 pm through Saturday, June 20 at 12:15 pm. If a delegate leaves early she forfeits all rights to any honors, awards and scholarships presented or announced at the closing program. She is not permitted to say that she attended the program. Unlike a camp, Buckeye Girls State is a week long process for learning about government, campaigning and running for office and then operating in the elected or appointed position for the rest of the week. And it's not fair to other citizens who are counting on her to perform those responsibilities throughout the week. If she leaves the program early she will not get the full benefit of participating. We recognize this is a difficult decision for young women. But this is just one of the decisions she will be making as an adult and only one of the life lessons she may learn by attending Buckeye Girls State. If a delegate elects not to attend, please contact the American Legion Auxiliary Unit sponsoring her so that they can notify the alternate.

## *Benefits of Attending Girls State*

Once you have officially registered you are on your way to becoming a Citizen of Buckeye Girls State.

If you are an Alternate replacing a Delegate at the last minute, please proceed to the Registration Station labeled “Alternates replacing Delegates”. You will be given further directions there. You must know the name of the Delegate you are replacing.

# **About Buckeye Girls State Government**

## ***General Information***

To get the most from the Buckeye Girls State Program, you need to participate. Select an office you feel you can serve well. If you are interested in a particular office, do some research before coming to BGS to find out all you can about the duties, function and responsibilities of that office. The Ohio Government Digest is included in this packet in CD form to assist you in your research. You might want to consult an official holding the office as part of your research. Take full advantage of the Monday Workshops to learn specific information about the office you seek. Once you have researched the office, campaign enthusiastically and, if elected, represent your fellow Citizens to the best of your abilities. Remember, they have entrusted their vote to you! If you should lose, you have still “won” for you have gained from those experiences and the election process.

Also, have alternative positions in mind. There are many, many appointed positions on all levels at Girls State so don't be discouraged if you don't get your first choice. There should be no one unemployed! Make the very most of this time. You will benefit now and far into the future!

Because our time is limited there are some areas where we have had to make decisions for you, but we attempt to adhere to Ohio laws and processes as closely as possible.

## ***Political Parties***

Although you will select your own party affiliation in your private life when you turn 18, at Buckeye Girls State you will be assigned to a political party. There are two parties – Federalists (blue lanyards) and Nationalists (gold lanyards). Once you are assigned to a party however, you will create your own party platform. You will be among the approximately 900 girls attending the program.

## ***Cities and Counties***

At registration, you will be assigned to a City. There are 25 Cities named for famous Ohio women. Each City has a City Government Advisor and a City Counselor.

Your City is part of a County. The five Counties are named for living Past State Presidents of the Ohio American Legion Auxiliary. Each County has a County Government Advisor.

## ***The Election Process***

City Elections are held within your City. Primary and General Elections are held at the GYM and determine the officials on the County and State levels. Each City will elect two Central Committeemen (one for each party) whose duties include:

Each party will elect a County Board of Elections official within their City to assist with the Primary and General Elections, petition filing, etc. She too, must hold an appointive position after these duties are completed.

Declaration of Candidacy and Petitions must be signed by not less than four (4) nor more than eight (8) electors of the same party in the same County. Please note that All BGS Staff Members are considered a Notary Public when it is necessary for you to have papers signed. As in real life a filing fee is required; however, at BGS you'll receive BGS checks to cover any government functioning expense.

The Governor and Lt. Governor will run as a team, which is determined at the State Party Caucus.

For convenience, each City is an Election Precinct and a Local and State School District and each County are a State Senatorial and Representative District.

Only official signatures will be valid on official papers (signature under which you are registered at BGS).

No person may file for or hold more than one elective office. No election official may file a petition.

If you are running for a County Office or a countywide election, you should campaign in all cities located within your county. State Board of Education candidates need only campaign in their city.

Government functions take precedent over all other activities – so plan accordingly.

## Declaration of Candidacy and Petitions

All candidates for County or State level offices must secure, circulate and file a Petition according to the schedule listed in the Daily Program

Petitions must be signed by not less than four (4) nor more than eight (8) electors.

Signatures of electors shall be the same Political Party as the candidate except with Judges and State Board of Education petitions where electors irrespective of party may sign.

State Board of Education candidates must secure electors within their city.

The Petition asks for a committee of four (4) to sign for the candidate. Also, there are signatures for the petition itself. The same four (4) may sign both.

The "County Seat" is the first named city in the Daily Program.
